2 YEARS LIMITED WARRANTY

This document is in accordance with standard EN 1433.

We, Devorex PLC, herewith guarantee all our customers the quality of the elements of linear drainage system XDRAIN - drainage channels and fittings - for a period of 2 years from the date of their purchase, in case they are used as intended, namely, for linear drainage of areas with load class A 15, B 125 and C250, in strict compliance with the installation manual of the system.

We undertake to convert to a condition fit for their design purpose any of our products that have shown production defects, without any hindrance, by replacing them as we find suitable.

Claims under the present warranty should be placed with presentation of the invoice or cash receipt for the purchase, within 2 years from the date of the issuance of the respective document.
