10 YEARS LIMITED WARRANTY

The declaration of conformity to the standards EN 607 and EN 12200 guarantees to our customers the following technical characteristics of system ELEGANCE - gutter, pipes and fittings:

- ✓ High strength and impact resistance
- ✓ Resistance to temperature fluctuations
- ✓ The highest protection against the UV rays of the sun
- ✓ Physically flawless operation

We, Devorex Ltd., herewith guarantee to all our customers the quality of the elements of system ELEGANCE, namely gutters, pipes and fittings, for a period of 10 years from the date of their purchase under the conditions of the General warranty conditions of rainwater system ELEGANCE.

We undertake to convert to a condition fit for their design purpose any of our products that have shown production defects, without any hindrance, by replacing them or repairing them as we find suitable.

Claims under the present warranty should be placed with presentation of the invoice and/or cash receipt for the purchase, within 10 years from the date of the issuance of the respective document.

For further information, please refer to the General warranty conditions of rainwater system CLASSIC.
