30 YEARS WARRANTY

The BDS EN 612:2005 and BDS EN 1462:2005 conformity document guarantees to our customers the quality of the **FAVORIT 130** system components, namely gutters, drainage pipes and fittings, for 30 years from the date of purchase in accordance with the General Warranty Conditions of system **FAVORIT 130**.

- ✓ Strength, impact resistance
- ✓ Resistance to temperature fluctuations
- ✓ Highest degree of protection from UV rays of the sun
- ✓ Physically flawless operation

We undertake without delay to bring products with manufacturing defects in a state of fitness for their normal use at our discretion to replace or repair the products.

Claims under this guarantee are made by presenting the cash receipt or invoice for the purchase of the goods within 30 years from the date of issue.

For more information, please refer to the General warranty conditions of system **FAVORIT 130**.
